

Build with Barry

Here's 5 things Santa Academy needs to have:

1. Snow on the roof
2. A Reindeer Landing Zone outside
3. Pillars with giant baubles on top
4. A flag for each school: Elf Ed, Reindeer Recruit, Fairy Fellow
5. A 'Welcome to Santa Academy' sign above the entrance

What would Santa Academy look like if YOU built it? I would like to see your ideas.
