

# Make your own Reindeer Food with Rupert

The reindeers need special food so they can pull the sleigh and fly around the world on Christmas Eve. Luckily, Rupert Reins knows exactly what food reindeers love to eat.

## Rupert's Recipe:

1. Two handfuls of oats or seeds
2. One handful of crunchy rice cereal or granola
3. Half a handful of dried fruit (reindeers love dried cranberries or dried bananas)
4. One handful of grated carrot (remember, reindeers need to see in the dark all night!)
5. Sprinkle of sugar
6. Sprinkle of cinnamon

**Leave your reindeer food somewhere the reindeers can easily find it!**
